

[illegible][illegible][illegible]

Technical drawing of a wall section showing insulation and reinforcement details. The drawing includes labels for "Par armatura peritruce și în S.02_220", "4x16", "I=1420/15", "I=1420/30", "Soluție mobilă", "h=1420/30", "h=1420/15", "R2", "R1", and "h=1420/30".

Technical drawing of a square window frame. The top view shows a square with side length L_2 and a central square opening with side length L_1 . The frame has a thickness of 20 units. The bottom view shows the frame's profile with a height of 20 units. The drawing includes dimensions for the frame's thickness (20) and the central opening (L1, L2). A legend indicates the following components:

- 1. Armatura del bordo fissa
- 2. Gesso di stiv
- 3. Pannello dei portelli
- 4. L. 140/200 inghigni con rivetti
- 5. L. 140/200 inghigni con rivetti
